## "DO YOUR INCOME TAXING EARLY" IS NEW SLOGAN

Bureau of Internal Revenue Urges Filing of 1920 Returns Before Rush Comes.

"Do your income taxing early." Taking a leaf out of the book of the Christmas shopper, the bureau of internal revenue is calling attention to the fact that though income tax returns for the year 1920 are not due until March 15, 1921, it is well to avoid the eleventh hour rush that always marks that date.

"The bureau of internal revenue is urging taxpayers not to delay in the filing of their returns," says a Treasury announcement. "Merchants and business men are closing up their accounts for the calendar year 1920. With the facts and figures necessary to make a correct return fresh in their minds, the making out of a form soon after January 1 will be an easier task than if delayed."

Requirements for paying 1920 taxes are the same as those for the year 1919, and every person who filed a return for last year will receive by mail a blank form for the present year, but failure to receive and fill out this form will not relieve the person from the obligation of filing a return. Revenue officers are to visit every part of the United States during the next three months to assist and instruct taxpayers in making their tax schedules, and a series of instructive articles is to be given out by the bureau, beginning January 1.

Every single person whose net income was \$1,000 or more during 1920, and every married person whose net income was \$2,000 or more during the year must file a return, regardless of whether exemptions make it necessary or unnecessary for them to pay a tax.

## LACK XMAS TAG SPIRIT.

District Automobiles Very Slow Getting Licenses for 1921.

District automobilists are not applying the principle of early Christmas shopping to the purchase of license tags for 1921. The license office at the District building has expected to distribute the bulk of next year's tags before January, but, unless there is a sudden increase in business, this hope will not be realized. This will result in the office being swamped with applicants at the beginning of the year, which is unsatisfactory alike to the public and the municipal authorities.

Heretofore Superintendent of Licenses Wade H. Combs has procured a stay of execution, so to speak, for delinquents who had not procured their tags when the new year set in. But there is no certainty that this leniency will again be shown, in view of the fact that the tags have been ready for distribution for some time and the Commissioners have consented to automobilists placing them on their cars immediately and discarding the old numbers.

Mr. Combs' office is equipped to dispose of 1,800 tags daily without undue strain on the clerical force, yet the issuance of only 1,100 tags represents the biggest day business thus far done. About 8,000 tags have been issued for 1921, with approximately 20,000 more to be distributed.

## WOMAN, 55, HIT BY CAR, DIES IN ASYLUM HOSPITAL.

Annie Kelly Succumbs to Injury Sustained November 20—Four Hurt in Accidents Yesterday.

Annie Kelly, fifty-five years old, 1239 Union court southwest, died at Washington Asylum Hospital Saturday afternoon. She was struck by a street car at 7th and B streets the afternoon of November 20 and taken to Emergency Hospital, where physicians said she was suffering from alcoholism.

Police of the first precinct preferred a charge of intoxication against her and took her to Washington Asylum Hospital. It developed that she received an injury to her head, and her condition became gradually worse until she died. Coroner Nevitt arranged to hold an inquest over her body at the morgue this afternoon.

John Yetter, seventy-eight years old, 415 Pennsylvania avenue, yesterday afternoon was knocked down and run over by an automobile belonging to W. J. Clifton, 1101 T street, and yetter was taken to Emergency Hospital, where it was said he was seriously hurt.

Mrs. Thomas Metton, 2502 Wisconsin avenue, was driver of an automobile that collided with a street car near her home yesterday morning. She received an injury to her left eye.

Col. Frederick M. Brown, U. S. A., Warman Park Inn, was slightly injured yesterday, when he was forced to make a quick turn to prevent his automobile from striking another, in front of the O street house.

While crossing at the intersection of Florida avenue and 19th street, yesterday afternoon, Mrs. Cornelia Yeomans, eighty-two years old, Cumberland apartments, was struck by the automobile of

Frank Boudinot, Northbrook courts, and her right leg fractured. She was taken to Homoeopathic Hospital.

## FREE PHILIPPINES DESIRED.

TOKIO, December 11.—Approval is expressed by the Osaka Asahi Shimbun over that portion of President Wilson's message to Congress in which he urges that the Philippines

should receive their independence. "Japan," says the paper, "wishes the independence of her southern neighbor and hopes it will be granted, but it is a pity that President Wilson chose the end instead of the beginning of his term to make the proposal, as the republicans are not likely to grant independence."

SAVANNAH FOR CONVENTION. LOS ANGELES, December 12.—Imperial Potentate Ills L. Garrison of the Order of the Mystic Shrine has announced that the annual convention of the Shrine will be held at Savannah, Ga., next year, instead of Atlantic City, as previously intended. More than half the men who wear this button are enrolled in the greatest school in the world—the U. S. Army School

More than a hundred thousand students in it—about fifty percent of the enlisted men—all studying something.

Some are studying general courses: arithmetic, spelling, geography, English, U. S. History.

Some are learning a trade: auto-mechanics, masonry, printing, plumbing.

Some are learning to be radiooperators; some bakers; some horse-shoers; some truck-gardeners.

Some school—the U. S. Army School—that teaches a hundred trades. And the soldier earns a good living while he is learning.

Has a chance to rub elbows with folks from other than his own home town.

And live in new eye-and-mind-opening surroundings.
